

Upper Feather River Watershed

WATER Workshop

Monday April 4, 2016

11:30-4pm starting with lunch

Sierra Valley Grange, Vinton

Despite increased precipitation received, we're still in a **Water Deficit**. Drought expected to persist.

Please Plan to Participate in this Half-Day Informative Workshop

CA Sustainable Groundwater Management Act—

What that means to you and folks in your groundwater basin?

Groundwater Banking—What is it? How it's working in other parts of the state & Local possibilities?

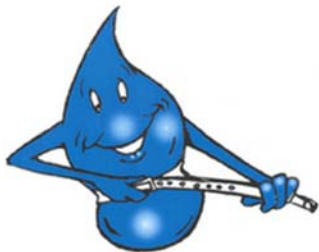

Emergency Regulation for Measuring and Reporting on the Diversion of Water – SB 88 and what it means

Nitrate & Community Vulnerability Study —Update

Irrigated Lands Regulatory Program—Update

DWR Watermaster Fees—Update

Updates on Planned Activities—Feather River & Sierra Valley Resource Conservation Districts

Registration only \$15 if you pay online by March 31 otherwise \$20 at the door, includes lunch @11:30am

Insert url for online registration

Organized by UC Cooperative Extension, Upper Feather River Watershed Group, Sierra Valley RCD and Feather River RCD
